## About Titasa Ver-L:

- Titasa Ver is an OMRI certified organic liquid fertilizer derived from fortified worm casting extract.
- Titasa Ver is ideal for re-establishing bacterial populations in depleted soil, which improves nutrient mobility and soil texture for healthier, more resilient plants.
- Children and pets can play on the treated area as soon as application of this product has been completed.
- Titasa Ver can be applied to flowers, fruit, vegetables, ornamentals, turf, tree and vine crops, field crops, row crops, trees, etc.

## Mixing Instructions:

When mixing with water, fill container halfway, then add product and the remaining water.

Gallon Mix: While agitating the solution add 3 fluid ounces of Titasa Ver to 1 gallon of water.

Tank Mix: While agitating the solution, add 1 gallon of Titasa Ver to 50 gallons of water.

**Directions For Use: Shake well before use. Do not store diluted.**

**Shelf life is 2 years from date of purchase.**

## Application Rates

**Apply 50 gallons of Titasa Ver mixture per acre.  
(40 ounces per 1,000ft<sup>2</sup>)**

**Agricultural:** Use the Titasa Ver tank mix instructions and apply before planting season and throughout the growing season as needed.

**Germinating Seeds:** Use the Titasa Ver gallon mix instructions, and apply after you have your seeds sown. If seeds need to be soaked, use the Titasa Ver mixture.

**Turf/Lawn:** Use the Titasa Ver tank mix instructions and apply monthly during growing season and again in late fall.

**Nursery/Greenhouse:** Use the Titasa Ver gallon mix instructions and apply as if regularly watering up to four times a year.

**House/Individual Plant:** Use the Titasa Ver gallon mix instructions and apply monthly at the rate you would regularly water your plants
